

Baue die Filteranlage. So soll sie aussehen:

Kies
Tonscherben
Topf
Sand
Tonscherben
Topf
Erde
Tonscherben
Topf
Stein
Filterpapier
Topf
Schüssel

1. Gieße schmutziges Wasser hinein!	2. Warte!	3. Fülle gefiltertes Wasser in dein Glas!
		

Build a filter construction. It should look like this:

gravel
broken fragments of a clay pot
pot
sand
broken fragments of a clay pot
pot
soil
broken fragments of a clay pot
pot
stone
filter paper (coffee)
pot
bowl

1. Pour dirty water into the construction!	2. Wait!	3. Fill filtered water into a glas!
